How We Collect Information

We do not collect any personal information (name, address, telephone number, or e-mail address) unless you provide it. If you have submitted personal information and want it removed from our records, please contact us at the e-mail address listed at the bottom of this Privacy Statement.

To help the US Government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify, and record information that identifies each person who opens an account.

What this means for you: When you open an account, we will ask for your name, address, date of birth, and other information that will allow us to identify you. We may also ask to see your driver's license or other identifying documents.

To use your bank information, we utilize Plaid Technologies, Inc., a third party company not related with MUITOSIMPLES. By using our services you also agree with the privacy policy of Plaid Technologies, Inc. (<https://plaid.com/legal/>).

How We Use Information

We store and use information provided by you to better understand customer needs, as well as determine how we can improve our products and services. We may also use this information to contact you with announcements and promotions, or if there is a question about your business.

We do not share, rent or sell your information with or to third parties. Part of your information is shared with Plaid Technologies, Inc.
